

Dear Friends,

As the High Holidays approach, our thoughts turn to those who have gone before us. We recall their teachings. We recall their caring. We recall their feelings for the community they brought us up in. The memorial plaques at Temple Beth Shalom offer you the opportunity to honor them in their, and hopefully your community.

With the date for ordering the plaques fast approaching we encourage you to contact the office. Please find the enclosed form that contains the required information and return it by **August 10th, 2018**.

Below is a description of the various ways to honor those who have gone before us. Leaving a tradition of Tzedakah and Caring.

Also included is a form for the **Yizkor Memorial Book** to honor and remember our friends and family members, of blessed memory who have been so important and meaningful in our lives. If you wish the names of your loved ones included, please return the enclosed form. Should you so desire, you can specify that your donation be used for the purchase of High Holiday Flowers.

With wishes for Shalom,
Jeremy Glatstein
President

Remembrances

Memorial Plaque – Displayed at the entrance of the synagogue, the Torah Memorial bears the names of many whom we have come to know. The light accompanying the plaque is lit on the loved one's yahrzeit. The cost is \$550. You may want to consider buying a plaque to be reserved for the future.

Torah Dedication – This beautiful display is directly to the right of the entrance to the Temple Sanctuary. Inscriptions include simchas, memorials and names of many who simply want to share their joy in being members of our congregation. A custom glass plaque is \$360.
